## ABOUT ME

I am a driven software engineer with a passion for React, Node and all things JavaScript. As a graduate and mentor at Founders and Coders I'm looking for a role in a forward-thinking and close-knit environment where I can further develop my skills.

## EDUCATION

### FOUNDERS AND CODERS

2020 | Coding Bootcamp

### KING'S COLLEGE LONDON

2017-18 | MA Philosophy of Medicine | Distinction (73)

### THE UNIVERSITY OF SUSSEX

2013-17 | BA Philosophy with a year abroad | First (72)
